Johnston Senior Center

A Way to Say Thank You

On behalf of the Town of Johnston, the Johnston Parks and Recreation Department, and the Johnston Community Center Association, I would like to thank the many volunteers who donated their time and energy to the Soccer Complex project over the past six months.

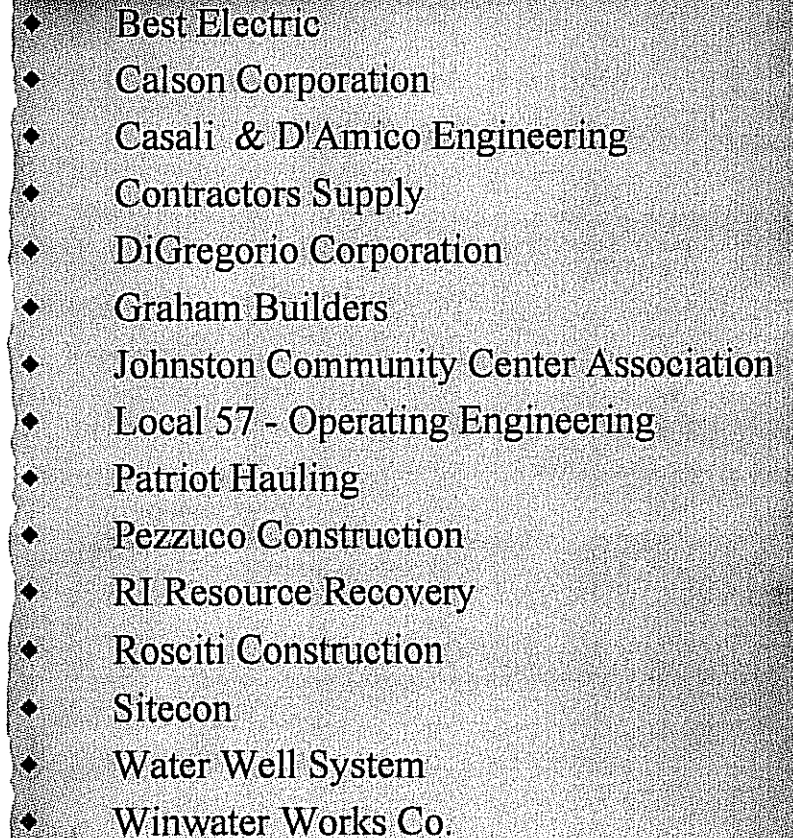

It is refreshing to witness members of the community coming together and giving back to the youth of Johnston.

Thank you again, for your commitment to the Town of Johnston, and for your continued support.

Sincerely,

Mayor Joseph M. Polisena

A Very Special Thank You To All Those
